

**Sightseeing Cruises:** We offer daily 1½ hour sightseeing cruises to the public and provide a discount to accommodate larger groups. If your group would like to enjoy a public cruise, we offer **\$1 off each ticket for ten people, \$2 off each ticket for twenty people, \$3 off for thirty people**, and so on. Ask us about our school group activities.

**Private Charters:** Our boat is also available for private charter for nearly any event imaginable. The boats are perfect for wedding and rehearsal parties, birthdays, anniversaries, surprise parties, reunions, association meetings, and memorials at sea. With a private charter your group has flexibility regarding departure times, length of the cruise, catering, and bar service. A restroom is available on board.

Both the Essex River Queen I and II are iPod compatible with plenty of room to set up a buffet style serving station for catering, as well as an open or cash bar with beer, wine and cocktails. We can also set up floating clambakes on board either of our vessels (see deck plans). Groups are welcome to decorate for their occasion.

The charter rates include private boat, captain, crew, and food and bar set up. Any catering through Essex River Cruises is an additional cost. You are welcome to self-cater your event; we will provide the set up.
